Membership Benefits

Why Committee for Ballarat Membership?

Membership provides you and your organisation with an opportunity to contribute to the thought leadership and advocacy for our City and region.

Committee's vision is for a thriving and vibrant region known for its liveability, sustainability and inclusion. Members share their insights and help to influence government at all levels to promote regional growth and development.

WHAT WE DO

Big Thinking: Advancing a clear, long-term vision for sustainable development that ensures our economy, community and environment thrive.

Advocacy and Accountability: Advocating and pursuing accountability for key investment and development decisions that embrace innovation and enhance our liveability and prosperity.

Capability and Capacity: Creating environments that drive change and allow leaders to emerge.

A ROBUST MEMBER VOICE

With our strong and diverse membership representing every sector of the regional economy, Committee provides a collaborative, non-partisan and long-term view.

REGIONAL INFLUENCE

We are a trusted and considered voice to government, business and the community and help shape strategic direction, policy and regional development projects.

LEADERSHIP

We enable opportunities for business, industry and our community to collaborate on key regional issues and make an impact. Our leadership model promotes the significance of people working together to enhance our city and region.
